

REMARKS

Claims 1-14 stand rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-4 of U.S. Patent No. 6,359,045 (Applicants submit the number listed in the Office Action was mistyped to read U.S. Patent No. 6,359,945 instead of U.S. Patent No. 6,359,045 as listed on the references cited document).

Applicants traverse this rejection, however in order to advance prosecution, Applicants herein file a Terminal Disclaimer in view of U.S. Patent No. 6,359,045. Applicants accordingly request withdrawal of this ground of rejection.

Respectfully submitted,

By

Jennifer R. Seng
